## Living Faith Story

Normal text ▾					
<p>Knox United Church sits in the center of the vibrant and expanding community of Sackville approximately 20 minutes outside of Halifax, capital city of Nova Scotia. The sub-communities of Sackville and feeder communities to Knox are Lower Sackville, Middle Sackville, Upper Sackville and Beaver Bank. Knox has been an important part of this community for 125 years and is striving for another 125 years of viability. Community engagement is vital to the longevity of our church and is an area of focus for development over the next five years. Recognizing the busy lifestyle of today, reconnecting with young families and encouraging their participation and involvement with our faith offerings is a top priority.</p> <p>Knox is on a journey of revitalization and has spent the last two years looking inwards and discussing with our congregation how we live the word of Jesus</p>
